HEATERS

Smoke and Smell-Free Multi-Fuel Heater

3x the heat at 1/3 the fuel cost!

Radiant heat penetrates evenly and directly into surfaces just like sunlight. Not affected by wind, unlike forced air heaters that suffer from heat loss in the ambient air.

- Fuel type: Diesel, Kerosene
- High / Low Switch
- Thermostat ready
- State of the art combustion chamber enables virtually 100% fuel to energy conversion
- Clean, odorless, smokeless
- Tank capacity: 15 gallons
- Operates at \$24.54 per 8 hours (at \$4.09 gallon fuel rate)

Item	Description	Price
19-1999	Multi-Fuel Heater	\$2,199.00 ea.

Oil Fired Forced Air Heaters

- State of the art safety and reliability features
- Uses no spark plug on models from 50,000 - 170,000 BTU
- Power source: 110-115V 60 hz outlet

Item	BTU Capacity	Heating Area	Hot Air Flow	Price
19-1001	50,000	1,200 sq ft	175 CFM	\$258.00 ea.
19-1002	170,000	3,500 sq ft	600 CFM	\$393.98 ea.

LARGER HEATERS AVAILABLE FOR RENT OR SALE!

Indirect-Fired Forced Air Heaters

- Rated heat output: 300,000 BTU/hr
- Powerful high static pressure fan
- Four loop heat exchanger
- Electronic Flame Control
- Maximum duct length up to 100'

Item	BTU Capacity	Hot Air Flow	Heating Area	Rental Price	Purchase Price
19-1995	300,000	2,500 CFM	6,000 sq ft	\$495.00.*	\$3055.00

* Monthly rental rate for heater, 20' hose and thermostat. Call for seasonal rate.

Indirect Heater Accessories

Item	Description	Price
19-1996	Ducting 20' length	\$437.95
19-1997	Remote Thermostat	\$82.99
19-1978	Duct Adapter*	\$335.40
19-1979	Dual Duct Adapter**	\$563.30

*Required for attaching ducting to heater

**Required for attaching two 25' duct lengths together

Propane Forced Air Heaters

- All models feature high volume fans and clean combustion
- Three models to fit any application
- Available for purchase or rental

Item	BTU Capacity	Heating Area	Hot Air Flow	1-3	4+
19-1005	60,000	1,150 sq ft	275 CFM	\$176.99 ea.	\$161.95 ea.
12-2299	150,000	3,500 sq ft	550 CFM	\$349.99 ea.	\$333.00 ea.
19-1006	400,000	8,800 sq ft	1,500 CFM	\$579.99 ea.	\$549.95 ea.

Ductible Propane Heaters

- Two Models 170,000 BTU and 350,000 BTU
- 170,000 BTU model powered by propane
- 350,000 BTU model is dual fuel (propane or natural gas)
- Heaters can be placed indoors or outdoors
- Features easy start electronic ignition
- Rolling wheels for transportability
- Comes standard with 10' gas hose, thermostat and regulator

Quantities are limited!

Item	BTU Capacity	CFM	Fuel Required	Rental Price	Purchase Price
19-1990*	170,000	1,200	Propane	\$250.00*	\$1,609.99 ea.
19-1991*	350,000	2,400	Propane or Natural Gas	\$450.00*	\$2,775.99 ea.

* Monthly rental rate for heater, 20' hose and thermostat. Call for seasonal rate.

Ductible Accessories

Item	Description	Price
19-1992	Ducting 12" x 12' (for 170,000 BTU heaters)	\$231.75
19-1994	Ducting 18" x 12' (for 350,000 BTU heaters)	\$318.95
19-1993	Thermostat with 20' cord	\$64.60

Propane Convection Heater

- Durable, compact design
- Infinitely variable heater 100,000 to 200,000 BTU/hr
- Patented pilotless burner system eliminates nuisance outages
- Quick starting ignition
- Includes 10' hose and regulator
- Made in USA

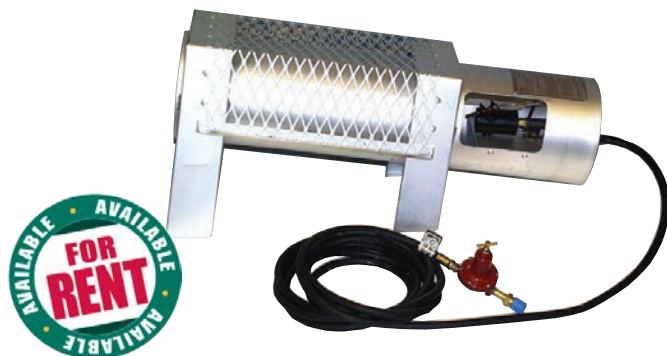

Item	BTU Capacity	Heating Area	1-2	3-5	6+
12-2293	200,000	4,750 sq. ft.	\$139.99	\$125.99	\$120.95

Tank Top Propane Radiant Heaters

- Features a Hi-Medium-Low Regulator for variable BTU output
- Connects to 5, 10, & 20 lb propane tanks

Item	Description	Price
19-1981	8,000–15,000 BTU Heater	\$46.99
19-1980	8,000–30,000 BTU Heater	\$97.50

Heavy Duty Propane Convection Heater

- Adjustable heat from 50,000 to 150,000 BTU/hr.
- Extremely rugged and designed to withstand jobsite conditions
- No electricity required
- Blows heated air out up to 6' from the unit
- Includes 20' hose and adjustable regulator
- Dimensions: 30" L x 11 1/4" W x 14" H. Weight: 27 lbs.

Item	BTU Capacity	Price
12-2309	50,000 - 150,000	\$259.50

Cordless Forced Air Propane Heater

- Built in rechargeable battery - NO POWER SOURCE NEEDED!
- Runs 8 hours per charge
- Recharges in 5-6 hours
- Connects to 20, 40, or 100 lb. propane tanks

Item	Description	Price
19-1982	35,000 BTU Rechargeable Forced Air Propane Heater	\$209.99

Electric Fan Forced Milkhouse Heater

- 2 heat settings
- Automatic thermostat
- Fan forced convection coils
- Manual reset

Item	Watts	BTU	Price
19-1265	1000/1500	3412/5118	\$34.00

Propane "Hawk" Heater

- Perfect for warming cold equipment, thaw pipes and melting ice.
- Cast iron and stainless steel construction
- Hose & Regulator Included
- Easy to use, ideal for quick, convenient spot heat

Item	Description	BTU Capacity	Length	Price
12-2304	w/ 10' hose	500,000	22"	\$86.49
12-2295	w/ 10' hose & regulator	500,000	22"	\$125.35

Propane Utility Torch

- Provides instant heat for many applications including asphalt melting, drying roofs, burning weeds, thawing/melting ice and more.

Item	Description	BTU Capacity	Length	Price
12-2305	w/ 15' hose & regulator	90 - 300,000	24"	\$107.49

Electric Fan Forced Utility Heater

- Steel tubular heating element
- 43° heat rise
- Includes 6' long cordset
- Temperature control thermostat
- Internal overheat thermostat
- Weight: 15 lbs.

Item	Volts	Watts	Phase	BTU	Price
12-2286	240 or 208	4000 / 3000	Single	13,648	\$135.95 ea.

Radiant & Fan Forced Heater

- 3 Heat Settings: *600 watts radiant
- * 900 watts fan forced *1,500 watts radiant and fan forced
- Temperature control thermostat
- Tip over cut off switch for safety
- Manual reset type limit control
- 6 ft. cord set
- Weight: 9 lbs.

Item	Volts	Watts	Phase	BTU	Price
12-1247	120	1500 / 900 / 600	Single	5,120	\$88.50 ea.

Portable Electric Salamanders

- Odorless, flameless electric alternative to fuel-fired heaters
- Variable thermostat and hi-temperature cut off switch for added safety
- 10" rubber wheels for easy mobility
- Toggle switch for fan only operation
- Built-in twist lock power cord connector

Item	BTU	Volts	Phase	Amps	Weight	1-3	4 or More

Premium String Lighting-Corded Ends

These fully jacketed light strings are UL® listed and meet OSHA requirement #1926.401(j)(1). Sockets are rated 150 watts and spaced on 10 foot centers. Features a plated metal bulb guard that snaps open for easy bulb replacement. Molded-on weather and heat resistant lamp sockets and plugs. Heavy duty all vinyl cord is weather resistant for outdoor use. 300 and 600 volt models available. "STW-A" is an extra hard service cord, 600 volt, with a thermoplastic constructed jacket. (Suitable for outdoor use.)

Item	Voltage	Length	Wire Type	No. of Sockets	1-2	3-5	6+
12-3032	300	100'	12/3 SJTW	10	\$195.82	\$182.57	\$169.31

Temporary Cordlight™

Weather-resistant, suitable for outdoor and indoor use. Includes eyelets for hooks or wire to simplify hanging and rated for 150-watt Type A23 bulbs. A simple clasp on the non-metallic heavy-duty bulb cage secures tightly but opens easily to facilitate bulb changes. In addition, a unique detent "snap-off, snap-on" fitting on the lamp socket enables you to quickly replace the bulb cage if it becomes damaged. Two styles are available: The Deluxe Cordlight™ is constructed of heavy duty, 14/2 SJTW round cord with a 75°C temperature rating. Cordlight™ is 100' long and has 10 sockets on 10 ft. centers. UL® listed and meets OSHA standards. **Hardwire installation.**

Item	Size	Price
10-0142	Deluxe CordLight™ (14/2 SJTWA round cord)	\$89.95
10-0143	Replacement Bulb Cage only for Deluxe Grade	\$2.35

HID Temporary Lighting

- 400W HID Temporary Light
- Pulse-Start.
- UL Listed.
- Suitable for damp locations.
- Compact size, lightweight, balanced construction.
- Easy to install.
- A cost effective solution to incandescent string lights.
- Pre-wired for 120V operations.
- CWA Multi-tap Ballast can be easily re-configured for 208V, 240V or 277V applications.
- Chrome plated heavy-duty 11 AWG welded steel lamp guard.
- Three (3) foot 18/3 SJTW power cord with 15 AMP plug.
- Includes 400 Watt Type-O metal halide lamp, and lamp guard.

Item	Description	Price	4+
12-2212	400w Temp. HID w/lamp guard	\$121.95	\$110.95
12-2213	Replacement 400w Type "O" bulb	\$45.00	

Economy Quartz Lights with Adjustable Stand

Features an extension stand that adjusts from 44" to 72" high with legs that fold up for space saving storage. Light can be directed up or down by using locking knobs. The housing is made of die-cast aluminum with a corrosion resistant stand painted Safety Yellow. Hinged lens frame with silicone rubber gasket ensures a weather tight seal. UL[®] approved for use in wet locations. Comes with 6' long grounded cord, and a 120 volt, 500 watt tungsten halogen lamp already installed.

Item	Description	Price
12-1224	Single head light stand	\$52.07
12-1226	Double head light stand	\$68.19

Bull Dog Floor Light

This heavy duty floor model has a 500 watt UL-listed weatherproof fixture and a PVC-coated solid steel base. Comfortable foam grip for light positioning. 8' long, 16 gauge heavy duty cord. Lights up to 5,000 square feet. Made in USA.

Item	Price
12-1259	\$67.35

Premium Power Towers®

The most compact, versatile and powerful light cart manufactured features metal halide lighting for the ultimate in power and illumination. Premium Power Towers™ can light up to 218,000 square feet, be taken down in minutes, and easily loaded into the back of a pick up truck! The Premium Power Tower® has a hand winch for fast and easy set up, take down, and height adjustment (from 2' to 12.5'). The Single Light Tower plugs into any 15 amp, 120 volt power source. The Double Light Tower comes standard with a 20 amp plug end, and requires 20 amps of service to power. Both Towers can also be powered by a generator (2,500 watts or more). Weatherproof on/off switch. All terrain pneumatic tires with brake mechanism locks the wheels in place. The light heads are removable for easy transportation, and have a urethane spring mount that cushions the bulb and fixture. The rubber mounted ballast box has a larger 1-piece cover for easy accessibility. 10,000 hour bulbs included.
