

Item P10-0197

Cord-O-Lite™ Temporary Light Strings

Weather-resistant, suitable for outdoor and indoor use. Includes eyelets for hooks or wire to simplify hanging and rated for 150-watt Type A-23 bulbs. A simple clasp on the non-metallic heavy duty bulb cage secures tightly but opens easily to facilitate bulb changes. In addition, a unique detent "snap-off, snap-on" fitting on the lamp socket enables you to quickly replace the bulb cage if it becomes damaged. **Deluxe Cordlight™** is constructed of heavy duty 100' long, 14/2 SJTWA round cord. Cord-O-Lite™ is 100 feet long, and has 10 sockets on 10 ft. centers. UL® listed. Meets OSHA standards.

Hardwire installation.
