DeWalt 15 Gallon Contractor Chest

The 15 Gallon Chest features a telescopic metal pull handle and heavy-duty 7" rubber wheels for maneuverability over the rough jobsite terrain. A one-touch latch allows for quick and easy opening with one hand. A 3-position tray provides organization of small parts inside or outside on the extended handle. The 15 Gallon Chest is water resistant, with IP43 rating and capacity load is up to 90 Lbs.
