DeWalt 20V MAX Drywall Cut-Out Tool Kit

Dewalt 20V MAX drywall cut-out tool features a 26,000 RPM brushless motor which helps enable fast and clean cutting on a variety of wall paneling. It's compact and lightweight design makes it the most compact drywall cut-out tool in it's class. The tool is designed with a forward-positioned on-off button which helps to enable easy actuation. Tool-free bit change is designed for quick and secure bit changes without the need for a wrench. **Kit includes: Cut-Out Tool, (2) DCB203: 20V MAX* Compact Li-Ion batteries (2.0 Ah), fast charger, and kit bag.**
