DeWalt 20V MAX Drywall Sander Kit

Features increased runtime, durability, and speed consistency with a brushless motor, quick dust extractor connection with The Airlock™ connection for use with DEWALT dust extractors, and additional control with a variable speed dial. The DCE800 works well in large and tight workspaces with a telescoping shaft and articulating head. To efficiently remove potentially harmful dust in the workplace, the tool is equipped with Wireless Tool Control™ for pairing with compatible DEWALT dust extractors. **Kit includes: 20V MAX* Cordless Drywall Sander, (2) DCB205 20V MAX* XR® batteries, charger, and contractor bag.**
