

Item P10-1651

DeWalt 20V Max XR Brushless 1" L-Shape SDS Plus Rotary Hammer Kit with On Board Dust Extractor

Dust extraction system features a powerful built in motor for increased suction and high performance drilling. 2-Second power-off delay ensures that dust extraction continues after drill is switched off. Featuring a durable clear high capacity dust box, replaceable dust nozzle, replaceable HEPA Filter, and a quick release for easy attachment and disassembly. Up to 5/8" diameter carbide drill bit may be used. Replaceable HEPA filter removes 99.97% of airborne particle 0.3 microns or greater. **Includes: Rotary Hammer, (2) 5.0Ah batteries, charger, 360 degree side handle, depth rod, retractable utility hook, extractor and HEPA filter.**
