

Item P11-6582

DeWalt 3:1 Chalk Reel with Blue Chalk

This DEWALT® 3:1 Chalk Reel Kits with blue chalk is durable and allows for speed and efficiency with many features that help them be effective and easy to use. A 3:1 gear ratio allows for a smooth and quick retraction of line. The handle folds flush to the body for convenience storage. The clutch can be activated with a closed or open handle. Chalk line: 100 ft.
