

Item P11-0086
DeWalt 5"/6" Brushless Angle Grinder w/ Variable Speed Slide Switch, INOX

This 5"/ 6" Brushless Small Angle Grinder with Variable Speed Slide Switch, INOX has a brushless motor, eliminating the need to replace brushes. It's designed for Stainless Steel (INOX) grinding, and features a brake that quickly stops the wheel on motor shutoff. Our Kickback Brake and E-CLUTCH® are PERFORM & PROTECT™ features that help deliver enhanced user protection without affecting performance. This grinder is ready for the jobsite, where performance matters and toughness is expected. POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool. Variable speed functionality lets the user change wheel speed for applications as needed. **Kit includes: grinder, side handle, hex key, inner and outer flange, 6" type 27 guard and pipeline cover**
