

Item P11-0090

DeWalt 5"/6" Brushless Small Angle Grinder, Slide with Tuckpointing Shroud

This 5"/6" Brushless Small Angle Grinder, Slide with Tuckpointing Shroud has our powerful brushless motor, meaning you never have to service it for brush replacements. The brake stops the wheel quickly when the motor shuts off. PERFORM & PROTECT™ features include Kickback Brake and E-CLUTCH®, which are designed to activate in bind-ups or stalls. POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool. Variable speed functionality lets the user change wheel speed for applications as needed. **Kit Includes: grinder, side handle, hex key, inner and outer flange, 6" tuckpoint shroud, air lock connector, kit bag and 5" sandwich blade.**
