

Item P10-3565

DeWalt 7" Angle Grinder

High power 4.7 HP, 8,500 rpm motor provides overload protection provides higher operating speeds under load. Dust Ejection System™ protects the motor from damaging particles entering the air intake that would otherwise abrade the motor and increases brush life. Anti-Vibe trigger handle reduces user fatigues caused by vibration. Automatic turn-off brushes shut down the tool when brushes need to be changed to avoid tool damage. Low profile gearcase allows for work in tight areas. **Includes 7" guard and 3-position side handle.**
