

Item P10-3565

DeWalt 7" Angle Grinder

High power 4.7 HP, 8,500 rpm motor provides overload protection provides higher operating speeds under load. Dust Ejection SystemTM protects the motor from damaging particles entering the air intake that would otherwise abrade the motor and increases brush life. Anti-Vibe trigger handle reduces user fatigues caused by vibration. Automatic turn-off brushes shut down the tool when brushes need to be changed to avoid tool damage. Low profile gearcase allows for work in tight areas. Includes 7" guard and 3-position side handle.
