Item P11-0089

Dewalt 7" Brushless Rat Tail Angle Grinder with Kickback Brake

This 7' Brushless Small Angle Grinder, Rat Tail, with Kickback Brake, No Lock, and Pipeline Cover is GUARANTEED TOUGH with a high-performance brushless motor. You'll never need to service it for brush replacements. An integrated brake stops the wheel quickly when the motor shuts off. Kickback Brake and E-CLUTCH® are designed to help give the user enhanced control in bind-ups and stalls, and LANYARD READY™ attachment points make it easy to tether the tool when working at height. POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool. 2-stage trigger requires two actions to activate too. **Kit includes: grinder, side handle, hex key, inner and outer flange, 7" type 27 guard and pipeline cover.**
