DeWalt Tool Connect™ 20V MAX All-Purpose Cordless Work Light (Tool Only)

DeWalt's tool connect all-purpose cordless work light lights up the jobsite. Powerful, efficient LED technology produces up to 5000 lumens of natural white light, without the heat and hassle of halogen. The All-Purpose Light can be used freestanding, tripod mounted (sold separately), or hung with a convenient integrated hook. The light works with all DEWALT® 20V MAX and FLEXVOLT™ batteries, with up to 11 hours of runtime. Also, use the free Tool Connect app to control and monitor your light remotely on the jobsite. Plus, its impact resistant body and lens, and a 3-year limited warranty, it will stand up to your tough jobsite environments.
