

Item P25-0228

DustBuddie® Dust Control Shroud for Hand Grinders

Easy to install. Comes in two sizes: 5" fits 4" to 5" grinders, and 7" fits 6" to 9" grinders. Captures up to 99% of airborne dust. Clear polycarbonate offers improved visibility. Removable front lip for grinding against a wall. 3 spacers and adjustable height setting to accommodate different wheels and discs. Brush skirt provides support for a smooth, cushioned grinding action. Meets EPA RRP guidelines for lead paint when attached to a certified HEPA vacuum. **Includes: (1) clear polycarbonate shroud, (1) 18" flexible hose, (3) height adjustment spacers, and (1) releasable zip tie.**
