

Item P11-9806

Eibenstock Diamond Core Drill Motor

Industry's most lightweight and portable combination of drill stand and motor. 20 Amp 3-speed motor with combination anchor/vacuum stand drills holes up to 14" diameter in concrete, reinforced concrete, asphalt and natural stone. The motor can also be mounted on a variety of drill rigs. No other Diamond Core Drill Rig in this class is so light and portable, weighing only 77 lbs. The drill stand has two 5" wheels for easy portability.
