

Item P14-1598

Fiberglass Tripod Ladder (300 lb)

Tripod fiberglass ladder offers more stability than a four-legged ladder and has the ability to get into tighter spaces. This ladder features the Raptor Top with all the tool slots you need and the Raptor boot on all three shoes. It has a center-pull spreader brace and heavy duty reinforcements. This model is up to 15% lighter with an increased step surface then the previous model. 300 lb. load capacity (includes user and tools). This ladder meets or exceeds standards set by ANSI and OSHA.
