

Item P14-0320

3M 8210 Particulate Respirator

This classic disposable N95 particulate respirator is designed to help provide comfortable, reliable worker respiratory protection against certain non-oil based particles. NIOSH approved for at least 95 percent filtration efficiency against certain non-oil based particles. Two-strap design with welded dual point attachment helps provide a secure seal. Cushioning nose foam and an adjustable noseclip helps provide a custom fit and secure seal. Lightweight construction promotes greater worker acceptance and may help increase wear time. Advanced electrostatic media is designed for ease of breathing. 20 Respirators per box.
