

Item P14-2050
3M™ 6502 Half Face Mask Respirator

A reusable half mask designed with tough and dirty work environments in mind. Stay productive and protected – the 6500 Series delivers comfort, durability and stability with a firm, lightly textured silicone faceseal and strong body construction. Silicone faceseal - provides comfort and stability with a soft but firm faceseal. Extended product life due to resilient silicone material. Keeps its shape in high-heat environments. Lightweight. Optimum fit and comfort with three-size adjustable head cradle. Valve cover design directs exhaled breath and moisture downward. Easy positive pressure seal check.
