

**Item P14-1601**  
**Guardian Big Boss Extended Free Fall Lanyard**

Big Boss lanyard is ideal for a secure tie off at feet when there is not an overhead anchorage. It can be used for up to a 12 ft. free fall and will limit the average arresting forces below the 1,350 lb. Big Boss lanyard can also be used as a standard lanyard for workers between 310 lbs to 420 lbs. 1" nylon webbing is light and durable. Features a clear shock absorber pack for easy inspection. Complies with the ANSI .13 Standard.
