

Item P19-1132

Hand Held Core Bits

Designed to be used with hand held core rigs, these bits have a thinner kerf for less drag and resistance. They are also 30-40% lighter in weight than standard core bits for less operator fatigue. All sizes have a 5/8"-11 thread.

Item	Description	Attributes
19-1132		Size: 1/2"
19-1134		Size: 5/8"
19-1136		Size: 3/4"
19-1138		Size: 7/8"
19-1140		Size: 1"
19-1142		Size: 1 1/8"
19-1144		Size: 1 1/4"
19-1146		Size: 1 3/8"
19-1148		Size: 1 1/2"
