

Item P11-6015

High Visibility Tapes

Self-Centering Tape Rule that helps find the center of your measurement; saving the trouble of dividing fractions. Yellow clad blade has bold black & red numbers, while the black numbers represent the objects measurement and the red numbers represent center measurement. Unique slide lock design offers easy control tape blade. Wide base helps keep the tape standing upright. Lightweight, high strength, contour-grip case fits comfortably in your hand. Hi-Viz orange.
