

Item P10-2845
Husqvarna ST230P 30" Snow Thrower

A high-performing snow thrower to clear snow from large garage driveways and paths. It works regardless of surface type thanks to the adjustable skid shoes. It has an efficient two-stage system with high throwing capacity. The handle has adjustable height for comfortable use. Friction-disc transmission, power steering and extra large tires ensure smooth operation. Features heated handle grips, LED headlights and electric starter for work in all weather conditions.
