

Item P13-0380

Industrial Air Hose

Industrial air hose assembly includes brass NPT male fittings attached with crimped ferrules on both ends. Red EPDM cover provides excellent resistance to abrasion, weather, tearing and ozones. High tensile synthetic braiding process for extended life even at maximum working pressure. Working pressure: 250 lbs.

Item	Description	Attributes
13-0380		Hose Fitting: 1/4" NPT Size: 1/4" Length: 25'
13-0381		Hose Fitting: 1/4" NPT Size: 1/4" Length: 50'
13-0385		Hose Fitting: 3/8" NPT Size: 3/8" Length: 50'
