

Item P19-0379

Krylon Rust Tough® Spray Paint

Our best quality spray paint for coverage, opacity and durability. This heavy duty acrylic enamel spray paint leaves a tough, high gloss finish which resists chipping and peeling. Provides complete coverage with one coat. Dries to the touch in 25 minutes; dries to handle in 1 hour. Suitable for both indoor and outdoor use. Use on steel, aluminum and properly primed metal and wood. 15 oz. can.
