

Item P10-3714

Makita Keyless Chuck Conversion Kit

3/8" Keyless chuck conversion kit for cordless impact drivers with 1/4" hex drive. Convert an impact driver's 1/4" hex drive to a 3/8" keyless 3-jaw chuck to accept round shanked bits. Made of an all metal housing for greater durability. Easily attaches to Makita and other brand 1/4" hex drive impact drivers.
