

**Item P89-2285**

**Metabo 36V MultiVolt™ Cordless Duplex Nailer**

Metabo 36V MultiVolt™ 21° Cordless Duplex Nailer is here to revolutionize the concrete forming jobsite as it allows for a massive productivity boost vs. hand driving Duplex nails. Metabo HPT's unique Air Spring Drive System produces a similar feel to using a pneumatic nailer, combined with the power of the MultiVolt™ battery, this cordless Duplex nailer works all day long, driving up to 16D Duplex nails. Drive up to 900 16D 3-1/2" Duplex nails per charge with the included 2.5Ah MultiVolt battery. **Includes: 36V MultiVolt™ 2.5Ah battery, 36V/18V charger, carrying bag, 3mm hex wrench, 4mm hex wrench, and safety glasses.**

<b>Specifications</b>
