

Item P10-1843

Metabo 7" Angle Grinder Surface Prep Kit

Metabo safety switch prevents unintentional start-up. Tool-free adjustable guard; twist-proof. Metabo VibraTech (MVT) is an integrated damping system and side handle to reduce vibrations in order to protect the user's health. Side handle can be mounted at three positions. Swiveling main handle offers high safety and better handling when cutting. Auto-stop carbon brushes to protect the motor. **Includes: inner support flange, M-Quick flange nut and side handle Metabo VibraTech (MVT).**
