

Item P10-1544

Milwaukee 15 Amp Super Sawzall®

Milwaukee's most powerful sawzall. We recommend this model for demolition applications for best performance and durability. The 15.0 Amp Super Sawzall® is the first recip sawto include Constant Power Technology™ which maintains constant speed and power under load for unmatched cutting performance. Highest overload protection in the industry, prevents motor burn up / failure. Patented Gear Protecting Clutch - extends gear and motor life by absorbing high impact forces caused by sudden blade lock-ups. Other features include a variable speed trigger and dial speed control and Quik-Lok™ blade clamp system.
