

Item P10-9834
Milwaukee 5/8" SDS Rotary Hammer

The 5263-21 is the most compact rotary hammer in its class at 10.9" long and only 4.6 lbs. This hammer is ideal for drilling overhead and in tight spaces. Powerful enough to drill the majority of holes commonly drilled by the professional trades. Provides up to 65% faster drilling with 1.5 ft-lbs of impact energy and 0-3,700 RPM. The Anti-Vibration System (AVS™) delivers maximum user comfort by minimizing vibration, while 2-Mode Operation provides versatility regardless of application. **Includes side handle, depth rod, and carrying case.**
