

Item P10-9129

Milwaukee M12 FUEL™ Compact Band Saw Kit

M12 FUEL™ Compact Band Saw offers integrated blade covers, making it suitable for one-handed use while offering a larger capacity than the existing M12™ Sub-Compact Band Saw. The improved performance, lightweight design, one-handed capability, and increased capacity enhance your productivity while lowering fatigue. The compact, portable band saw is equipped with Jobsite Armor Technology™, a proprietary composite material to better protect it from drops and debris and crush zone barriers that absorb impacts. A variable speed trigger and an LED work light provide maximum control. An integrated rafter hook allows for easy storage in-between cuts. **Includes: M12 FUEL™ Compact Band Saw Bare Tool, M12™ REDLITHIUM™ XC 4.0 Extended Capacity Battery Pack, 30-9/16" 12/14 TPI Compact Extreme Thin Metal Band Saw Blade, and Contractor Bag.**
