

Item P25-0360

Milwaukee M12™ Heated AXIS™ Jacket Kit

100% Polyester insulation keeps heat in, doesn't add bulk and the compressible design makes layering comfortable and easy. Reinforced high-wear zones protect from abrasion and tears. One-touch LED controller with (3) heat settings per heat zone. Heating zones are chest, back, and shoulders. Washer and dryer safe. Pockets include (2) outer zip pockets and an inner zip pocket. Up to (8) hours of run-time with M12™ REDLITHIUM™ 2.0 Compact Battery Pack. **Kit includes: M12™ Heated AXIS™ Jacket Kit, M12™ REDLITHIUM™ CP2.0 Battery, M12™ compact charger and power source.**
