**Item P10-1039**

**Milwaukee M12™ Screwdriver**

This Milwaukee compact screwdriver has the run time and power to run all day, driving the majority of common small fasteners. It's compact size allows it to get in tight places. Quick bit-loading 1/4 in. Hex chuck for bit insertion and release with one hand. Battery gauge displays remaining run time. Other features include a built in LED light, variable speed trigger, and over-mold side and grip for secure grip. **Kit includes: M12™ Cordless LITHIUM-ION Screwdriver, (2) 12V REDLITHIUM™ Batteries, 12V Charger, and Compact Driver Storage Bag.**
