

**Item P10-1150**

**Milwaukee M12™ Soldering Iron Kit**

The M12™ Soldering Iron delivers fast application speeds by reaching operational temperature in under 18 seconds and maintaining an optimized temperature throughout the most demanding applications. The heat indicator utilizes REDLINK™ INTELLIGENCE to notify users when the tool is ready-to-use and safe-to-store, eliminating the guesswork. The 3-stop pivoting head provides unmatched access by allowing users the ability to adapt the tool for the application and solder in more confined spaces. The M12™ Soldering Iron powered by REDLITHIUM™ battery technology delivers up to 40 minutes of run-time on a M12™ Compact Battery Pack. **Kit includes: M12™ Soldering Iron, Pointed Tip, Chisel Tip, M12™ REDLITHIUM Compact Battery Pack, M12 Charger and Carrying Case.**

| Item    | Description                               | Attributes |
