

Item P11-0055
Milwaukee M18 FUEL™ 1/2 " Compact Impact Wrench w/ Pin Detent Kit

Milwaukee FUEL™ 1/2" Compact Impact Wrench w/ Pin Detent is the most compact in its class, delivering you more power, the most access in tight spaces at only 4.9" in length, and maximum workspace visibility. This cordless impact wrench features a POWERSTATE™ Brushless motor that generates up to 250 ft-lbs of fastening and nut-busting torque, providing you with the power required for installation and removal, even in confined spaces. Includes has tri-LEDs that surround the anvil to deliver brighter light with fewer shadows. 4-Mode DRIVE CONTROL™ offers greater precision with a range of pre-set RPM and IPM levels, selectable from a single button on the tool. By selecting Mode 4, AUTO SHUT-OFF™ control applies no more than 20 ft-lbs of torque for hand-tight fastening applications to prevent overtightening. Mode 4 also features Bolt Removal Control delivers full torque output, then decreases RPMs once the bolt is loosened to prevent fastener drops. **Includes: M18 FUEL™ 1/2 " Compact Impact Wrench w/ Pin Detent Bare Tool, (2) M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery Pack, M18™ & M12™ Multi-Voltage charger, and carrying case.**
