

Item P10-3189

Milwaukee M18 FUEL™ D-Handle Jig Saw Kit

The M18 FUEL D-Handle Jig Saw combines power, blade speed and precision, to deliver quality cuts in a wide variety of materials and applications. Equipped with Milwaukee's POWERSTATE Brushless Motor and REDLINK PLUS Intelligence, the M18 FUEL D-Handle Jig Saw provides higher blade speed than corded jig saws at 3500 strokes per minute, minimizing chipping or bucking for clean controlled cuts. With the M18 REDLITHIUM XC5.0 battery, the saw is capable of cutting up to 105 linear feet of ¾" laminated particle board, delivering all-day productivity with less trips to the charger. The M18 FUEL D-Handle Jig Saw features a variable-speed two-finger trigger, toolless blade-change and bevel adjust, and an integrated LED light with on/off blower to maximize cutline visibility. **Kit includes: M18 FUEL™ D-Handle Jig Saw, M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery Pack, M18™ & M12™ multi-voltage charger, anti-splinter guard, carry case, dust collection tube, dust cover, general purpose jigsaw blade, hex wrench, and shoe guard.**
