Milwaukee M18 FUEL™ HOLE HAWG® Right Angle Drill w/ QUIK-LOK™

Milwaukee M18 FUEL™ HOLE HAWG® Right Angle Drill w/ QUIK-LOK™ delivers the next generation of right-angle drill performance providing electricians with the fastest rough-ins, lightest right-angle drill, and the run time to complete up to 220 7/8" holes per charge. The HOLE HAWG® Right Angle Drill has been redesigned with an upgraded POWERSTATE™ Brushless Motor and enhanced REDLINK PLUS™ Intelligence electronics. QUIK-LOK™ Chuck attachment system allows for quick keyless, one-handed bit changes. The QUIK-LOK™ Chuck is compatible with most auger bits, self-feed bits, and hole saws with flat or groove 7/16" hex shanks. When you pair the new M18 FUEL™ HOLE HAWG® with our M18™ REDLITHIUM™ HIGH OUTPUT™ 6.0AH Batteries (sold separately) it can drill up to 220 7/8" holes on a single charge to and increase productivity and eliminate downtime.
