

Item P11-7220

Milwaukee M18™ Cordless Right Angle Drill

With a total profile length of just 3-3/4", the M18™ Cordless Lithium-Ion Right Angle Drill is a compact, powerful solution for drilling and driving in tight spaces. It features the industry's first electronic clutch, with 12 torque settings and an LED indicator for fastening with complete control. The onboard fuel gauge helps you monitor the charge precisely, so there's less downtime on the job, and a built-in LED Light illuminates the work surface. An extended multi-position paddle switch gives you ultimate comfort and convenience during prolonged use. **Kit includes: M18™ Cordless Right Angle Drill, M18™ & M12™ Multi-Voltage charger, M18™ REDLITHIUM™ XC Extended capacity battery, and carrying case.**
