

Item P10-3643

Milwaukee M18™ FORCE LOGIC™ 12T Utility Crimper

The M18™ FORCE LOGIC™ 12T Utility Crimper is the Easiest Way to Crimp. Engineered to reduce weight and improve balance, it is the lightest and only fully balanced 12T crimper, with a 350 rotating head and red alignment marks making it the Lightest, Most Balanced and Easiest Crimper to Align. Predictive Force Monitoring (PFM™) constantly measures force output to deliver consistent speed that won't bog down on larger connectors while delivering accurate pressure, every time. **Kit includes: M18™ FORCE LOGIC™ 12T Utility Crimper, M18™ Lithium-Ion AC/DC Wall and Vehicle Charger, M18™ REDLITHIUM™ 2.0 Compact Battery Pack, M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery pack, carabineer and overhead utility bag.**
