

Item P12-0170

Milwaukee M18™ Force LOGIC™ High Capacity Knockout Tool

Designed to make every step in hole making process both faster and easier. Powerful enough to punch 4" holes in 12 gauge stainless steel. Delivers the easiest set-up; featuring the clearest alignment in mild and stainless steel, Milwaukee EXACT™ punches and dies feature bold, laser engraved crosshairs and a clear view of the work surface to make alignment fast and easy. Speeds up repetitive punching. Quick connect alignment system enables set-up without the weight of the tool. Compact right angle design allows access into tight spaces. The punches and dies are also designed for optimal slug removal and compatible with competitive knock out tools. **Kits Include: 7/16" Draw Stud, ¼" Draw Stud, Quick Connect Alignment System, (2) M18™ REDLITHIUM™ XC Extended Capacity Battery Packs, M18™ and M12™ Multi-Voltage Charger and Carrying Case.**
