

Item P10-3214

Milwaukee Portable Band Saws

Ideal for sawing a wide variety of materials including PVC, tubing, strut, threaded rod, and angle iron. Gear drive mechanism is lubricated with grease-no oiling required. Front T-handle for better control. Precision ball bearing blade guide. All models use standard 44 7/8" x 1/2" x .020 band saw blades. Milwaukee Portable Band Saws are available in both 2 speed and variable "trigger control" speed models.
