

Item P14-0116

ABC Fire Extinguishers

Effective against Class A, B, and C fires. All sizes feature a large and easy to read pressure gauge allowing instant and accurate pressure checks. Both handles and levers are made of pressed heavy gauge metal. Lever locks prevent accidental discharge. Forged, aluminum valve for maximum durability. Cylinders are made of aluminum and steel and have a chip-resistant epoxy finish. All units are rechargeable. UL® listed, DOT approved and FM listed for 5 lb. units and over. 6 year warranty.
