

Item P89-2322

Paslode Cordless LI-ON Straight Finish Nailer 16GA

This self powered strip nailer uses a disposable fuel cell and rechargeable battery thereby eliminating cords, hoses and compressors. Perfect for trim work, door jambs, paneling, and cabinetry. Drives 3/4" through 2 1/2" smooth shank galvanized finish nails. Comes with convenient carrying case, rechargeable battery, AC battery charger, clear safety glasses and an extra no-mar tip. **Please note: Fuel cell must be purchased separately.**
