

Item P25-0422

Peladow™ Ice Melter

Performs the fastest and at the lowest effective temperature. Penetrates ice up to 3 times faster than competing ice melters. Contains 90% Calcium Chloride. The most effective product for melting ice and snow. Releases heat to speed melting. Continues to melt ice @ -25°, while competing products stop at 0° F. Available in 50 lb. pail or 50 lb. bag.
