

Item P20-0570
Plastic Access Doors

Designed to provide easy access to walls and ceilings. The 1/8" high impact styrene plastic with U.V. stabilizers will not fade or corrode. The door is completely removable from the frame and fits tightly with snap latches. The white finish, with textured exposed surfaces, can be left as is or painted to match the surrounding areas. Flush to frame with rounded safety corners and one piece outside flange with 3/4" deep mounting frame. Snap latches allow door to fit tightly within frame.

Item	Description	Attributes
20-0570		Nominal Door Size: 8" x 8"
