

**Item P21-1698**

**Posifix® Pipe Support System**

Smallest support designed to fit between studs. Aligns and supports hot and cold lines with waste piping in a lavatory or sink rough-in. Pre-slotted to hold 1/2" or 3/4" supply pipe 4", 6" or 8" apart. The unit mounts on 1" through 1 1/2" waste pipe for perfect alignment. Standard package includes two 1/2" - 3/4" clamps, one 1" - 1 1/2" clamp and attaching screws. Made of polystyrene. Color: Yellow.
