

Item P10-0147

Premium Trouble Lights

Commercial-duty extension lights resist impact, abrasion and oil. Three wire grounded handles with convenience receptacle. Easy open NO-ROL cage with rotating hook saves time and permits precise lamp positioning. Zinc-plated 10 gauge steel cage resists rust and corrosion and accommodates up to 100 watt bulbs. All weather 16/3-SJTW-A yellow thermoplastic cord with molded plugs. UL® listed. Meets OSHA requirements.
