

Item P10-1886

Radians Type R Class 2 Heavy Duty Two Tone Surveyor Vest

Radians Type R Class 2 heavy duty two tone surveyor safety vest is a reinforced version of a standard surveyor vest. Reflective material is used for edging to enhance reflective brightness. Multi-function pocket designs, including a clear vinyl credential/badge holder, featuring large inside pockets. Includes a rear D-Ring pass through for use over fall protection. Meets ANSI/ISEA 107-2015 Standards.
