

Item P14-1561

Ram Board™ Seamer Tape Applicator

Until now, the standard for seaming Builder Board and other floor protection products involved a time-consuming approach of adhering tape by hand. The Builder Board™ Seamer is designed to reduce installation time by more than 60% and works with an assortment of tapes up to 4"; including Masking Tape, Blue Tape, PE Tape and of course, Builder Board Seam Tape. It's proudly built in the U.S.A and made with only the toughest materials. Next time you install floor protection, get off the floor and Tape Faster™. 46"h x 6"w x 8"d. Weighs 10 lbs.
