

Item P14-0851

Reinforced Kraft Paper

A low cost, easy to install product for protecting carpeting, tile, terrazzo, marble and wood flooring from spills, staining, and dirt. Reinforced Kraft Paper consists of two layers of high strength kraft paper reinforced with a 1/2" x 1/2" double layer of fiberglass. The result is a non-staining, heavy duty reinforced paper with high tear, puncture, and abrasion resistance. Kraft Paper is also water and slip resistant. We recommend that you use 3M's 2" wide **(Item 26-0152)** Long Mask™ Tape with a 5"-6" overlap when installing the product. Four sizes available.

*Complies with NFPA 701

Item	Description	Attributes
14-0851		Size: 36" x 300'
14-0853		Size: 48" x 300'
