Item P12-0196

Screw-on Coupling for Conduit

Use to attach the VersiBoom to the conduit when pulling from overhead. The coupler and adapter threads onto the conduit and pins to the VersiBoom. The coupling and adapter must be used together. One adapter fits all of the screw-on couplings.

Model #	00781
---------	-------

Item	Description	Attributes
12-0196		Size: 2 1/2" screw on coupling
12-0197		Size: 3" screw on coupling
